Continuation of 2. NOTE: new issue: (claim 1) by replacing the term "fixed" with "attached", the interpretation of the original claim language is being modified so as to impart a distinct attachment feature which differs from the original scope of the invention (claim language). Thus, it raises a new issue.

Continuation of 5. does NOT place the application in condition for allowance because: it is noted that the status identifier of claim 12 (i.e previously amended) is not correct, that is, it should read "previously presented".
